FROM THE DESK OF FATHER BLANEY...

Well, we have 3 new homes (a village) in place. It has been a big struggle coordinating the various trades – no electricity line because of several of their service people making repairs to Florida, etc. Grass is starting to grow. Landscaping is being planted. But more importantly, people have moved into their homes. They are very excited. They are discovering all kinds of new opportunities in life. And they are proud of each new skill learned, not necessarily mastered yet, but learned. I wish you could see their smiles.

Now to pay for the homes! We were very close to budget. Lots of people have donated time and monies. The Diocese of Gary, both as a diocese and its various parishes, have been very generous. The living rooms have again been furnished by Chuck Forcey of La-Z-Boy.

But we need much more. We have a Capital Fund Drive. It will probably be the last one. I hope that you could join in a BIG or little way. I've pledged $10,000 over a four year time. I'll need to tighten me belt a bit. But I need to tighten me belt anyhow.

I hope that the fall colors enlighten your life. May the colors bring you to a greater realization of God's love for you!

KNIGHTS OF COLUMBUS

Share Foundation has gratefully received the following donation from the Knights of Columbus from their annual Tootsie Roll Drive:

$1,000 from The Precious Blood Council #12671 of Wanatah, IN

God Bless the Knights of Columbus for their generosity!

SHARE FOUNDATION RECEIVES NAP CREDITS

The state of Indiana has awarded tax credits to the Share Foundation through their Neighborhood Assistance Program. The funds generated through the NAP program will be used for the Sharing Meadows residential program. The donor will also benefit from the NAP program as his/her qualifying contributions can be counted as credits against their state tax liability. The Indiana Department of Commerce's Community Development Division administers the NAP program. Their goal is to support projects that benefit economically disadvantaged individuals and areas.

Share Foundation has been awarded $50,000 in tax credits to support our residential community. Through the NAP program, awareness of our value to the community of other abled adults will increase. Sharing Meadows has served as a role model to others as a way of providing a high quality of life for other abled people. We are happy that the state of Indiana has recognized our efforts.

For a minimum donation of $1,000, donors will receive a tax credit equal to 50% of their gift to be applied to the taxes due on their State of Indiana tax return. Donations of cash and stock are eligible for NAP credits and can be made between now and June 1, 2005, or until the allotment of credits has been used. The Share Foundation will distribute NAP credits on a first come, first serve basis, so do not delay in contacting us. Also, because the Share Foundation is a qualifying 501(c)(3) non-profit organization, you can also take a deduction on your federal income tax return!

For a copy of the NAP donor form or to discuss making a contribution to Share through the NAP program, please contact Kathleen Kelly at 219-778-2585.
THOUGHTS FROM THE EXECUTIVE DIRECTOR
By Kathleen Kelly

Fall has always been my favorite season with the crispness of the air, witnessing the changes in the wildlife that make their home at Sharing Meadows in preparation for the coming winter, and the beautiful colors of the changing leaves. The changes that take place each autumn are reflected in our own lives with the realization that we change too, as we grow to become the person God created us to be.

Autumn is even more exciting at Sharing Meadows this year with the opening of the 3rd residential village. We are happy to welcome Rachel Patai and Tonya Pinkerton to House G along with their steward, Kelly Haynes and her daughter, McKenna. We are also happy to welcome Mike Grant and Matt Krupa to House H along with their steward, Eileen Schweitzer. All of the delays and other frustrations that go along with construction are behind us and the smiling faces of the new Villagers on move-in day more than made up for any difficulty we encountered.

Change is good in our lives because it keeps us from growing stagnant and helps us to blossom and grow. I look at the new Villagers and I see such potential! Just as the leaves on the trees burst into brilliant color and provide us with beauty and splendor, the new Villagers are bursting with anticipation of their new home and a chance to be independent. They eagerly unpack their belongings, hang pictures on the walls and turn the house into a home - their home. They look forward to learning new skills, both during the work day in the vocational training program, and daily living skills in the home. Already there is talk about bowling, swimming, mini camp dances and movie nights in each other's homes. The joy of living in community and the realization that they will always have friends fills them with happiness.

Welcome, Rachel, Tonya, Kelly, McKenna, Mike, Matt and Eileen! You are all valued members of the Sharing Meadows community and we know that the changes you will experience will be positive ones for you. We look forward to witnessing your growth and know that the best is yet to come!
CAMP CORNER

The fall mini-camp season is off to a great start! Many excited campers came to Sharing Meadows in September eager to spend time with their friends after a summer apart. Campers and staff enjoyed a wonderful weekend of warm weather, friendly faces, a discussion and activities based on the theme of love. For this season of mini-camps we are going to focus on the fruits of the spirit: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. The discussion, craft and activities are based on the theme to reinforce the message for the campers. Coming up on October 15 – 17, we are going to focus on the second fruit of the spirit: joy.

Also in October is the popular Halloween dance on Saturday, October 16th! The dance starts at 6:30 p.m. and the D.J. Mark Williamson won’t stop the music until 9:00 p.m. For the price of only $2 per person, you will get several hours of dancing and socializing with campers and people from throughout the community. A Halloween snack will be served during the evening to keep you moving. This is a perfect dance to attend; campers and visitors always thoroughly enjoy the excitement and spirit of the Halloween dance! Don’t forget to wear your costume!

If you would like more information on Camp Sharing Meadows please contact Michelle at 219-778-2585. Camp slots are filled on a first come first serve basis; so don’t delay in sending in your application! We are also still in need of counselors for the fall season, so please consider this rewarding service opportunity! Hidden winner: Yvonne Miklosy, Valparaiso, IN 46385

SHARE OUR DREAMS DINNER GALA AND SILENT AUCTION

The Share Foundation’s 10th Annual Dinner Gala and Silent Auction will be held on Friday, November 5th at the Center for Visual and Performing Arts in Munster, Indiana. The evening starts at 6:30 p.m. with cocktails followed by a delicious dinner at 7:30 p.m. Music throughout the entire evening for your listening and dancing pleasure will be provided by the Tom Milo Band, a 17 piece orchestra from La Porte County. A silent auction featuring a wide variety of items is an exciting part of the night as you bid on your favorite items. Tickets to sporting events and shows, dinner packages, holiday items, household goods, salon services and more are included in the silent auction. There will also be a live auction with four vacation packages and items made by the Sharing Meadows Villagers.

There are many ways for you to get involved in the Share Our Dreams Gala. For a donation of $100 per person, you can attend this elegant evening. Family and friends can spend a delightful evening together with the comfort that all proceeds from the evening benefit the Share Foundation’s residential and camp programs for other abled adults. An opportunity to make a substantial contribution is through table sponsorship. There are four levels of distinction, which include dinner for ten people, and mention of your name or business in the program and in the December Good News. Table sponsorship a great way for coworkers to enjoy a night out or a fun time for families get together. Yet another way to support the Gala is to donate a new item or service from your business to be used in the silent auction.

For more information on any of these ways to get involved in the Gala, please contact Michelle in the Share Foundation office at 219-778-2585. We look forward to seeing you there!
PLANNED GIVING CORNER
Deferred Gifts: More Ways to Leave a Legacy

Greg and Joan Jennings are sitting in their parked car talking over old times in front of the house—their dream house. At least it was their dream house when they purchased it for $40,000 40 years ago! A lot has happened since then: they’ve raised 4 children, given 3 of the 4 a college education, and retired from their careers. Greg and Joan spend most days now taking turns with the grandchildren and spending the colder months in Florida. They’ve been careful with their savings and though they are not wealthy, they are certainly enjoying their golden years in a comfortable fashion. In the middle of reminiscing, Greg and Joan are startled out of their daydream by Julie, their youngest daughter. Without warning, Julie flings open the back door, plops into the back seat and yells enthusiastically, “Mom, Dad, take me dancing!”

Julie, the youngest child, is 35 years old and has Down Syndrome. Her enthusiasm is all about the monthly dance she’s about to attend at Camp Sharing Meadows. Even though Julie attends camp for a week each summer, she has not missed an opportunity to reconnect with her friends on weekends throughout the year. Greg and Joan know the difference Camp Sharing Meadows has made in the lives of Julie and the whole family—she is more outgoing, more helpful around the house, more tolerant and loving. She’s happy. They arrive at Sharing Meadows and Julie barely says “Good-bye...” before she is swept up in the joy of greeting old and new friends.

Greg squeezes Joan’s hand as Joan brushes away a tear; she will be 79 this year and Greg just celebrated his 82nd birthday. At once they know the question: What can they do to contribute now and after they pass on to keep the dream of the Sharing Meadows community alive?

Greg and Joan might consider a charitable gift annuity. A charitable gift annuity would allow to them to continue enjoying their beautiful home, save money annually on their taxes, and earn income in the form of annuity payments! The combined benefits would yield a significant return in the form of tax savings and annuity payments, but most of all it would allow the couple to decide while they are still living how one of their most valuable assets can produce benefits for individuals with special needs, like Julie, now and in the future.

The Jennings made an appointment with their financial advisor. Based on their ages (Greg-Age 82 and Joan-Age 79), and the appraised value of their home (it’s now worth $200,000), they should be able to set up a 7% annuity. If they structure the annuity so that after their deaths the appreciated property is transferred to Share Foundation, Greg and Joan could also enjoy annuity payouts of approximately $14,000 per year. Based on the couple’s life expectancy, those payouts could total nearly $175,000 in extra income!*

If you would like more information on how a charitable gift annuity might work for you to provide income while making a charitable contribution at the same time, please complete the following information and send it to us:
