## Share Foundation's

## Forcey Guest House

**Your Home Away  
from Home!**

## Enjoy your getaway at the **Guest House!**

*Tucker Lake at the Forcey Guest House*

Notre Dame football weekends can be hectic. Up early, like everyone else, so you can inch forward in bumper to bumper traffic to get to your favorite tailgating spot. And if you spend Friday and Saturday nights in a hotel, well . . . what was supposed to be a relaxing weekend of fun is not. Wouldn't it be nice to get away from the hustle and bustle? Wouldn't it be nice to stay in a home, hidden serenely away from the beaten track? A home with a deck, tucked beside a lake, with breakfast included? What could be better? If only your choice in lodging could "give something back" to the community as well.

### **A Home Away From Home...**

Now it can! The Share Foundation is renting unoccupied rooms in our guesthouse as a calmer, more peaceful alternative to the hotel scene on home Notre Dame football weekends. Our three bedroom (each with a private bath), house is clean, comfortable, and quiet! It offers a common kitchen, dining and living spaces plus a deck where you can look out over our 185-acre property at the changing leaves, wildlife or lake. The Share Foundation will offer a continental breakfast on Saturday to help you get to the stadium quickly. Sunday's full service breakfast will be prepared and served by our permanent residents and stewards who also live at Sharing Meadows. This is a great opportunity for you to check out an organization that works with the other-abled, as well as for our residents to showcase their work skills. It's a win-win situation.

*A great place to bring the family!*

### **A Perfect Place To Spend Your Weekend...**

You know the Share Foundation's guesthouse offers respite for families with an other-abled child. We are renting out unoccupied rooms in the guesthouse on Notre Dame football weekends, or any other for that matter, in true Bed and Breakfast style.

We offer a serene alternative to the hotel scene. The guesthouse is a comfortable home with three bedrooms, designed to sleep three, and their own private full baths. A fully equipped kitchen and living room offers our guests a chance to get away from it all. A deck overlooks a small pond and is the perfect place to take a cup of coffee and relax.
