## FROM THE DESK OF FATHER BLANEY...

November's big thing is Thanksgiving Day! And Sharing Meadows Good News is certainly full of Thanksgiving!!! Many of our prayers – mine and especially our villagers have been answered. Take for example, the fellow who was given two months to live and, after our villagers prayed and asked God to heal him, he now is walking around fit as a fiddle.

Many of our villagers have added new skills to their lives and are now working on riding lawn mowers or weaving beautiful towels and rugs. We are thankful for that increase of life experience. And for those who taught our villagers those new skills.

And, of course, we at Sharing Meadows are especially thankful for all of you who have so generously contributed financial aid. This is done in many ways, one of which is our Memorials. There are always about four pages of memorials in each newsletter, usually for a departed loved one. Some remember them on a monthly

basis or an annual basis. Some living people are remembered for a birthday or wedding anniversary or in celebration of a special friendship. We are very thankful for these many kind gifts.

And especially we at Sharing Meadows are thankful to God!!! There are many, many times that He has been there to help us. Sometimes even before we were aware that we needed help. I, personally, know that God has wanted Sharing Meadows to exist by the many ways He has helped us to continue! Thanks be to God!

May your hearts be full of Thanksgiving especially this month of November, a Thanksgiving to God for his many kindnesses!

## THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

I recently returned from a two week vacation and when I walked into the camp building for our daily prayer service on my first day back, I was met with shouts of “We missed you” and many hugs from the villagers who were happy to see me. It made me realize, once again, how thankful I am for their presence in my life. Their acceptance of me with all of my faults and failures and their unconditional love has enriched my life and brightened many a gloomy day. Witnessing their growth has been an amazing privilege that I am truly grateful for. This month marks the 22<sup>nd</sup> anniversary of the residential program at Sharing Meadows and so much goodness has taken place in those 22 years that we have much to be thankful for.

One of the villagers came up to me and reminded me that while I was on vacation she celebrated her birthday and she was now 45 years old. After wishing her a belated happy birthday, I reflected for a moment on how she has grown in the 22 years since she came to live at Sharing Meadows as a young woman, ready to live independently of her parents. She has blossomed into a lovely, capable, confident woman who is happy and thriving much to her family’s delight. I am grateful for her and all of the villagers who have found peace and fulfillment here at Sharing Meadows where they are challenged to grow to the best of their abilities but always in a safe and loving environment.

As I think back over those 22 years, I remember each time we built a new village and welcomed new villagers and stewards and how each one brought their unique gifts and talents to add to our community. Now that we have completed the master plan by constructing 5 villages, we are embarking on a new venture with the construction of the John Largura Family Senior Center so that all of the villagers – no matter what their age - can continue to find a safe, loving home at Sharing Meadows. I am thankful for John Largura and his family for their generosity in making this possible. God has been so good to me in allowing me to be a small part of the development of Sharing Meadows and seeing the Senior Center being constructed will only add to the joy.

May you have much to be grateful for this Thanksgiving! Happy Thanksgiving to all!

### ‘TIS THE SEASON

With the Thanksgiving and Christmas holidays approaching, many of us will share time with friends and family. The Sharing Meadows gift shop is brimming with unique, hand made gifts perfect for your loved ones. Hand woven table runners, place mats and dish towels make thoughtful and useful gifts. Jars of jam, apple butter and red raspberry applesauce are sure to be appreciated by the people you visit. Wooden bird houses, benches and bird feeders are available in the shop, as well as an attractive assortment of wine bottle lamps and ceramics. Come for a visit and see for yourself the wide array of lovely gifts. The shop is open weekdays from 9 am to 3 pm. The villagers are proud of their work and would love to show you what they’ve accomplished. Hidden Winner: Yvonne Greenlaw, Michigan City, IN 46360

## MEMORIALS

Memorials are a special way to honor the memory of a loved one or celebrate a special occasion for ourselves, our family, or our friends. We are grateful for all memorial donations, large and small, that are received but we want to remind you that our policy is that thank you letters and acknowledgement cards are not sent for any memorials received that are less than \$10.00 per name. They will be printed in the GOOD NEWS but no cards or letters will be sent. Due to the increasing cost of paper, postage and time to send cards and letters, it is not good stewardship to spend the donations you have entrusted to us to fill mailboxes with mail.

Memorial donations of \$10.00 or more per name will continue to be handled with a thank you letter, acknowledgement to family and listing in the newsletter. If you do not require a thank you letter, please mark the envelope so that we can code your account and we can save the cost of a letter and use the funds for our programs for other abled people. Thank you for your understanding!

## MEMORIAL DEADLINE

Just a friendly reminder that all memorials are due by the 15<sup>th</sup> of each month in order to be printed in the following month's GOOD NEWS. For example, if you want to have a memorial printed in the December issue, your memorial needs to arrive in our office by November 15<sup>th</sup>. Share Foundation has a deadline to meet as well with our printer and if we do not have your memorial by the 15<sup>th</sup> of each month, your memorial will be delayed an additional month. Thank you for your understanding!
