FROM THE DESK OF FATHER BLANEY...

As we prepare for Thanksgiving Day, we should look at the way the world is going.

In the past, Hitler developed the idea that there was a super race and the lesser people should be eliminated! This included especially Jewish people, everyone remembers. But there were other groups who were also routinely eliminated, namely the handicapped!

In this United States of America, 90% of babies who are, through amniocentesis, discovered to have Down syndrome, are eliminated through abortion. In Iceland and Denmark there are no more babies being born with Down syndrome. They are all aborted. In China, there

is a rule – only one child per family and of course, if there is a child with a handicapping condition, the baby is aborted.

Abortion is now a big business in America. The abortion clinics claim to be health centers for women. But did you know that, if the unborn baby is discovered to be female, that baby is sometimes aborted for the sole reason of it being an unwanted female. What about young girls who have abortions when their babies were the result of sexual abuse. And the abortion clinics, against the law, never report to the authorities the sexual abuser, allowing the sexual abuse to continue.

Sadly, Hitler's idea of eliminating the less than perfect is still active in this world. Here at Sharing Meadows, the other abled are recognized as an important part of society as God made them. They have the ability of trying to love each person. That is why people visiting Sharing Meadows recognize its peacefulness!

At Sharing Meadows we have a guest house. Young parents of other abled persons often go through a very negative time with people commenting that their other abled child will not learn to drive, go to college, get a self-sustaining job etc. etc. We would love to have you spend a day out here working along with our villagers and seeing their good qualities, having a meal in one of the homes and experiencing the joy of our community. And if you have received news from your amniocenteses that your baby has Down syndrome, before you make any decisions, come out here to visit and stay in our guest house to see the value and happiness of a Down syndrome individual.

God bless us and help us all over the world to realize the goodness of all God's people!

KNIGHTS OF COLUMBUS

Share Foundation received the following donations this past month from the Knights of Columbus from their annual Tootsie Roll drive:

\$1500.00 from St. Michael Council #1542 of La Porte, IN 46350

**Funds from the Knights of Columbus subsidize the camp program at Sharing Meadows.
God Bless the Knights for their dedication to our mission!**

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Kathleen Kelly

Thanksgiving has always been a favorite holiday of mine because my life has been full of blessings and it gives me an opportunity to reflect on how much I have to be thankful for. My family – parents, siblings, children and grandchildren are the best and I thank God for each of them. My friends have accepted me with my faults and failures and have been there for me when I have needed them. My Sharing Meadows family – villagers, co-workers, board members, volunteers and friends have been a bonus in my life and all of you have enriched it more than you will ever know.

As I wind down to the last weeks before I retire, I think more and more of the many people who have touched my life in the last thirty plus years and my heart is filled with gratitude. Working for Share Foundation has been so much more than a job, it has been a privilege and an honor and it has given me memories that I will cherish forever. From the first summer camp I organized to opening the first homes at Sharing Meadows to constructing the Senior Center and everything in between, it has been a journey filled with challenges but I have met so many amazing people along the way who were willing to help in any way they could. Throughout it all, I was able to overcome every challenge and obstacle I faced because of the support and love of so many.

Thank you to the many people who have made my career at Share Foundation rewarding and satisfying. You have been there when I needed you whether it was to answer a question, give some much-needed advice or just listen to me and let me vent my frustration. You have shared your time, talent and treasure freely to help 185 acres of farmland turn into the loving, beautiful community of Sharing Meadows that our villagers call home. In answering my call you have helped me grow to become the person I am today.

Special thanks goes to the campers and villagers for without them, there would be no Sharing Meadows. They are my heroes for they have taught me the meaning of unconditional love and shown me how to make the world a kinder, gentler place.

I have much to be appreciative for this Thanksgiving and my prayers of gratitude will be for all of you. May you have much to be grateful for this Thanksgiving! Happy Thanksgiving to all!

JOHN LARGURA SENIOR CENTER

Construction on the John Largura Family Senior Center at Sharing Meadows is nearing completion and we are in the mood for celebrating! We will have a ribbon cutting ceremony on Sunday, November 19 at 1:00 pm followed by a tour of the building and a celebration lunch. Please join us for this joyful occasion as we mark the next milestone in the development of Sharing Meadows.

‘TIS THE SEASON

With the Thanksgiving and Christmas holidays approaching, many of us will share time with friends and family. The Sharing Meadows gift shop is brimming with unique, hand made gifts perfect for your loved ones. Hand woven table runners, place mats and baby blankets make thoughtful and useful gifts. Jars of peach and raspberry and apple butter are sure to be appreciated by the people you visit. Wooden bird houses, benches and bird feeders are available in the shop, as well as an attractive assortment of wine bottle lamps and ceramics. Come for a visit and see for yourself the wide array of lovely gifts. The shop is open weekdays from 9 am to 3 pm. The villagers are proud of their work and would love to show you what they've accomplished. Hidden Winner: Mr. & Mrs. Steve Shay, Morris, IL 60450

PRAYER FOR OUR TROOPS

Please God....

Grant them courage when times are bleak
 Grant them strength, when they feel weak
 Grant them comfort, when they feel alone
 And most of all, God
 Please bring them all home!
