FROM THE DESK OF FATHER BLANEY...

Soon we will be celebrating our independences from England, July 4th. We were to be free from England's laws and taxations. And over time, America has developed into what we know today with its own laws and even some taxations. Also, some people have developed the idea that we are completely free and independent. However, truly no one is completely free. We all have certain responsibilities.

Parents, children, citizens, members of society, etc., have certain responsibilities. As an example, if each person did not drive on the legal side of the road, we would have a mess! Actually our own responsibilities are a very important part of our lives! They have much to say as to who we are and what the success of our lives is.

Please spend a bit more of your time thinking about what your responsibilities are. Try to find time every so often to review them and think about how we are reacting with them. Your life will be much fuller if you know them (your own responsibilities) and realize how you are dealing with them!

25TH ANNUAL LEPRECHAUN HUNT

Come and celebrate your family at our family fun day, the 25th Annual Leprechaun Hunt on Sunday, August 4th. We have something for all ages – clowns, bouncing in the moonwalk and climbing through the obstacle course for our young guests along with two magic shows by the Great Kalita. Irish music will be playing all day under the big tent. The Doolin Clan will be singing Irish ballads, The Ploughboys will be playing Irish tunes and lively Celtic rock music will be played by New Element. Irish dancers will perform and once again, the Villagers of Sharing Meadows will dance an Irish jig for you. Hay wagons will take you around the grounds all day and you can hop off to go fishing on Tucker Lake. Of course, the main attraction is hunting for leprechauns and there will be **33 of them hiding all over the property just waiting to be found with each leprechaun offering a pot of gold – valued from \$50 up to \$1500!**

Be sure and come hungry because you will have your choice of a delicious buffet offering barbecued ribs, chicken and sausage; tender corned beef and cabbage; pulled pork dinners, hamburgers, hotdogs, salads, fresh roasted sweet corn, tacos and nachos! Satisfy your sweet tooth with zucchini bread topped with fresh berries and whipped cream. Beer, wine, soft drinks, coffee and bottled water is available and it's all there for your enjoyment. For one price - \$50 in advance, \$45 for seniors 65+ - you can enjoy all that we have to offer – food, beverages, entertainment and hunting for leprechauns! Since it is a family day, children 13 and under are FREE when accompanied by their parents or grandparents. You won't find a better bargain anywhere else and you will feel good knowing you are supporting the residential and camp community of Sharing Meadows!

Money must be received by Friday, July 26 to qualify for the advance sale price.

As the event keeps growing, we add more stations to accommodate our guests and as we do that, our need for volunteers grows larger. Please volunteer for a 2 hour shift that day, serving food, making snow cones, selling tickets or supervising the wee ones as they jump in the moonwalk. Our faithful volunteers tell us that helping at the event makes the day even better. This is the biggest fundraiser of the year to support the community of Sharing Meadows and we can't do it without the help of many volunteers. Please call the office at 219-778-2585 and volunteer your time to make the 25th Annual Leprechaun Hunt Family Fun day the best one ever! Happy hunting!

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Bill Harmon

Summer camp is in full swing down at the St. Timothy Center here at Sharing Meadows. As the former Camp Coordinator, I always look forward to our camps. It is like a family reunion! It is always such a joy to see my friends again who I have not seen in a few months or even a year!

This year's camp theme is "How Do I Communicate with God?" When Father Blaney, Emily, our Camp Coordinator, and myself sat down to discuss the theme, God really guided us to choosing this topic! In the value sessions, Emily is asking important questions like "How do we pray?" and defining what prayer is. Ultimately, the conclusion to these questions is a conversation with a friend who loves you deeply.

I always think of prayer as sitting down with a close friend who I desire to learn more about. I want to know how the other is doing, what they are doing, and then I want to be able to express how I am doing and my needs as well, just like my casual conversations with my parents on my drives home from a full day at Sharing Meadows.

Those of you who know me are aware that I spent nearly four years in the seminary. I left my seminary formation thinking I knew everything I needed to know about prayer and building a relationship with God. However I was humbled the moment I met my new friends, the Villagers and Campers of Sharing Meadows. I sat in classes with world renowned professors with PhD's who have spent their life researching God and having a relationship with Him, but yet, they never taught me what my friends at Sharing Meadows have.

My friends here have taught that nothing in life is worth losing one's relationship with God. They have taught me that no matter the obstacle, anything is possible when you have a deeply rooted trust in God. Where does that trust in God come from? It is the faith in knowing that only He can help you, and knowing that only God is the answer. It comes from the relationship that has been built over time by talking to God.

I truly wish each and every one of you could experience a Morning Prayer Circle at Sharing Meadows, or an evening prayer service at our camps. You will be a witness to a faith that is so deep and so beautiful, that I believe they could move mountains. My friends' prayer life is something that I cannot possibly put into words. Their relationship with God is extraordinary, and I truly feel as if I am close to Him when I am around them. I believe that the joy and peace they exude definitely comes from our loving God.

I understand that many of you are from all across Indiana, neighboring states, and even some out of this country! However, prayer is what unites us. No matter what background or denomination we have, prayer with God brings us closer and makes this large world we live in feel a bit closer.

I invite you to offer a prayer for the continued success of Share Foundation. My friends pray for you every single morning in their prayer circle. May God bless all of you with good health and happiness!

IRISH BLESSING

A wish that every day for you
Will be happy from the start
And may you always have good luck
And a song within your heart.
