## FROM THE DESK OF FATHER BLANEY...

The Leprechaun Hunt was again a GREAT success! God again gave us good weather! And the number of volunteers worked hard in preparing the food, cleaning up, driving the many hay wagons, taking care of the fishing area, and especially handing out the many drinks. God bless you all!

Everyone commented on how delicious the food was, especially the barbequed ribs.

There were 6 leprechauns not found this year. When I went back to pick them up (we never leave them for next year), I used my GPS to find them. But this time the spot of the GPS was clear, but 2 of the Leprechauns were not there! I could not find them. Did someone take them??!! I cannot remember what their numbers were, but I hope they are, if taken, returned!

Financially the Leprechaun Hunt was very successful. Thanks to all who came or in some way supported the event. Several people who could not afford to come were given donated tickets. I can assure the donors that those people receiving the free tickets were delighted.

I personally enjoyed visiting with many old friends. God bless you all!

The number of people went down just a little bit from last year, our biggest year. There were several other events going on in the area the first Sunday of August that we were competing with that drew some of our attendees away. However the Leprechaun Hunt faithful crowd showed up in great numbers and our income still reached very high!

## THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Bill Harmon

Sharing Meadows just recently hosted our 25<sup>th</sup> Leprechaun Hunt. Can you believe that? I enjoy hearing stories from Father Blaney on how he came up with the idea, what the first hunt was like, and how far we have come! It blows my mind to think that this event has gone on for 25 years. That is quite a testament to Father Blaney and all of our supporters and committee members. We are going strong and I cannot wait for number of years of success to continue to grow!

At Share, we have four main fundraiser events, and only one of those is on our property; the Leprechaun Hunt. After many discussions with Father Blaney and others with experience in fundraising, we have come to a conclusion that it is time for another fundraiser to be hosted out on the property!

It is my hope, for a new 5K race and family fun day in the year 2020 on the property of Sharing Meadows! As we continue to grow with our Senior Center and adding more homes and Villagers, it is imperative that we continue our fundraising efforts in order to create a sustainable future for our community. I believe our property is absolutely perfect for a walk/run event. We have the reputation of having incredible property with its upkeep by our hard working Villagers.

Picture this with me: It's a beautiful, fall morning and you walk up to the starting line. You are greeted by Villagers encouraging you, as well as even racing against you! Their smiles are from ear to ear as they are spread throughout the property showing you the way through their homes in order to reach the finish line. When you finish, you are greeted by our precious friends congratulating you on a job well done, and handing you a water while giving you a hug because of how proud they are that you finished.

You then ask yourself, wait a minute, it is only 9am, what am I to do for the rest of the day? Maybe you aren't a runner or walker and are looking for something else to do. How about a delicious chili cook off around lunch time? Or a meal prepared by others? Kid games? Informational animal shows? Bounce Houses? Obstacle Courses? Adult beverages and a live DJ for entertainment? Friends, the possibilities are endless with this event!

I am very excited to be a part of this new adventure that Sharing Meadows is about to embark on. The only thing is, my friends, the Villagers, and I need YOUR help. Do you enjoy 5ks? Do you have experience carrying out a fundraiser for a nonprofit? Do you have a deep desire to serve God's people, our incredible Villagers? If so, PLEASE contact me in the office. **I WANT TO HEAR YOUR IDEAS.** I invite you to be a part of the committee that I am forming. Be a part of enhancing the quality of life for my friends. This commitment is not a very large one, just a few meetings in the year. I am simply looking for ideas and people to help operate this new opportunity.

Whether you are a first time volunteer, or a veteran, I ask you to look deep within your heart and ask yourself if this committee is right for you. Yes, operating an event can be a little time consuming, but trust me when I say this, the Villagers make all of our time and effort worth it. When you are able to see their incredible smiles, and hear their words of admiration towards you, you realize all of your hard work was worth it, and they appreciate all of it.

If you are interested in dreaming big with me and being a part of the **FIRST EVER** Sharing Meadows 5k walk and run, please call me at 219-778-2585, or email me at [wharmon@sharefoundation.org](mailto:wharmon@sharefoundation.org). Come with your new ideas, your high energy, and your heart open to serving our very loving and caring friends, the Villagers.

## MEMORIAL DEADLINE

Just a friendly reminder that all memorials are due by the 15<sup>th</sup> of each month in order to be printed in the following month's GOOD NEWS. For example, if you want to have a memorial printed in the October issue, your memorial needs to arrive in our office by September 15<sup>th</sup>. Share Foundation has a deadline to meet as well with our printer and if we do not have your memorial by the 15<sup>th</sup> of each month, your memorial will be delayed an additional month. Thank you for your understanding!
