FROM THE DESK OF FATHER BLANEY...

We are soon to celebrate the Good News of Christ's birth! As we celebrate the birth of Christ, we also celebrate the birth of our residential program! I am pictured with Tina Jo who has now happily lived at Sharing Meadows for 25 years! She has achieved an appreciation of her life. And she has grown in the appreciation of the lives of many others. She has accomplished much and is always willing to accomplish more. In fact, she is always planning on doing more, especially for others!

Tina Jo is, in herself, Good News, and Good News for Sharing Meadows! Besides her being happy to live at Sharing Meadows, we are all very happy she is with us!

I hope and pray that all of you experience much joy and love this Christmas season! It certainly is a time when we often experience a real event of love from others. Our life feels, as that result, a real purpose of joy to being alive!!

God bless you all!!

FEAST OF THE HOLY INNOCENTS

We will celebrate the Feast of the Holy Innocents on Sunday, December 22nd with a Mass at 1:00 p.m. at the St. Timothy Center. This event is in remembrance of the babies killed by King Herod in search of the newborn baby Jesus. At Sharing Meadows, we remember the many people who have been memorialized on our Tree of Life and in the Memorial Garden.

Immediately following Mass, a potluck dinner will be served. Meat and beverages will be provided and we invite you to bring a vegetable, salad, or dessert to share. You are most welcome to attend Mass and continue celebrating the joy of Christmas with us. Hidden Winner: Helen Nowesnick, Hammond, IN 46323

THOUGHTS FROM THE EXECUTIVE DIRECTOR

By Bill Harmon

The best part of my job is the time I get to spend away from my office interacting with my friends, the Villagers. Lately, Jessica (my wife) and I have been trying to go to bowling as much as we can. It is my favorite time to spend with the Villagers because of how supportive they are of each other.

Those that know me well are aware that I am a VERY competitive person. I do not care who you are, if we are playing a board game, golfing, or anything, I am going to try to the best of my ability to beat you. Well, I take that competitiveness with me to bowling on Friday nights. The only problem with that is... I am up against some of the best bowlers in the area!

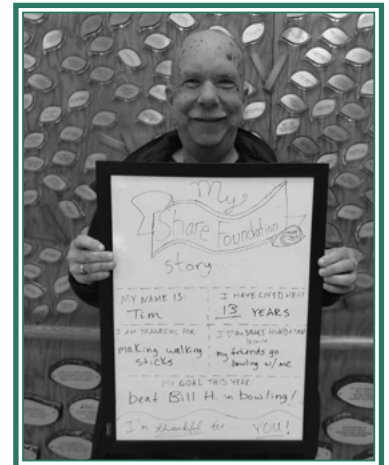

So, one of the last times Jessica and I went to bowling, I went up to Tim, one of the Villagers, and told him he was going down. Well, that statement I made to him spread like wild fire through the VIN (Villager Information Network). Next thing I knew, Villagers were coming up to me saying "You're going down Friday night, Bill!" Then others would come to me saying, "I am on your side, Bill! Beat Tim" All I could think was what kind of a mess did I get myself into? Tim is an incredible bowler!

Well the night of bowling finally arrived and as Jessica and I walked in, we were greeted with some cheers, and some friendly boo's from the Tim supporters. Tim and I bowled in lanes next to each other. I went first and started with a strike, but unfortunately, everything went downhill from there. Tim was hitting strike after strike and spare after spare. He even came up to me saying "I am bowling the best game of my life!" Well, I could tell he was! Tim smoked me that game, and has smoked me every other time I go up against him.

After our first match up and my embarrassing defeat, I was sitting down taking my bowling shoes off getting ready to head home and one of the Villagers came and sat next to me. She put her arm on my shoulder and said to me, "Good game Bill. I am sorry you lost to Tim, but did you beat your last score?" I was silenced and humbled by what she had asked.

How often do we all try to compete with one another? I am guilty of always competing with those around me. I always want to be the best and do the best job I can possibly do. While that is not a bad thing, my friend taught me that day to not compare myself with other people. The most important thing is to focus on how I can be a better person, leader, friend, etc. That is what truly matters. I will hold that moment in my heart and mind forever.

I cherish every moment I get to spend with my friends. They have taught me so much about life and help to keep me focused on what matters. During this Christmas Season, I invite you to get more involved with our Villagers. Come and volunteer with them. It is in that involvement that you will find life's greatest gift, having a friend to count on. I pray that you all have a joy filled Christmas, and may God continue to bless you with the same love and friendship I experience every day when I am around my friends.

Just look at Tim's goal for this year! Looks like his goal has already been reached!

25TH SHARE OUR DREAMS GALA

Our guests gathered at the Croatian Banquet Hall on November 1st for an evening of fine dining, lively music and wonderful people! The tables were lovely thanks to the beautiful centerpieces made by Ramona McCrovitz of Merrillville Florist. We enjoyed an elegant dinner including a delectable dessert provided by Giovanni's and table wine donated by the Croatian Banquet Hall.

The event began with Emcee Howard Struble introducing the board and committee members present at the event. Bill Harmon then introduced the two Villagers in attendance for the evening, Colin and Tina. The guests were then welcomed by a video greeting from the Villagers of Sharing Meadows! Tina was also celebrated at the event as it was her 25th anniversary of moving into the community of Sharing Meadows! You could definitely feel the love at the Croatian Banquet Hall! Finally our meal began with Father Blaney offering a prayer of thanksgiving.

Music was provided by DJ Steve Zana of "Let the Good Times Roll". Those of you at the Gala know that the dance floor was busy the entire night and our guests seemed to enjoy dancing with Colin and Tina!

Terrence Velligan was the auctioneer for the evening and did an incredible job! We appreciate the professional pictures that were taken by Bob Wellinski. Thank you to everyone involved!

The funds that were raised go to support the residential program at Sharing Meadows and our villagers join us all in thanking everyone who contributed to the success of the event.

SIMPLE GIFTS

Tis a gift to be simple
 Tis a gift to be free
 Tis a gift to come down

MEMORIALS

Memorials are a special way to honor the memory of a loved one or to celebrate a special occasion for ourselves, our family, or our friends. We are grateful for all memorial donations, large and small, that we receive. We would like to remind you that our policy is that thank you letters and acknowledgement cards are not sent for any memorials received that are less than \$10.00 per name. They will be printed in the GOOD NEWS but no cards or letters will be sent. Due to the increasing cost of paper, postage and time to send cards and letters, it is not good stewardship to spend the donations you have entrusted to us to fill mailboxes with mail.

Memorial donations of \$10.00 or more per name will continue to be handled with a thank you letter, acknowledgement to family and listing in the newsletter. If you do not require a thank you letter, please mark the envelope so that we can code your account and we can save the cost of a letter and use the funds for our programs for other abled people. Thank you for your understanding!

MEMORIAL DEADLINE

Just a friendly reminder that all memorials are due by the 15th of each month in order to be printed in the following month's GOOD NEWS. For example, if you want to have a memorial printed in the January issue, your memorial needs to arrive in our office by December 15th. Share Foundation has a deadline to meet as well with our printer and if we do not have your memorial by the 15th of each month, your memorial will be delayed an additional month. Thank you for your understanding!
